## Professional accreditation

The Bachelor of Midwifery Graduate Entry

- (3) Contextualise legal and ethical frameworks to demonstrate professional midwifery practice reflective of cultural awareness and the individuals rights to social justice;
- (4) Analyse and evaluate models of care, leadership and entrepreneurship to meet the needs of mothers and babies in contemporary society;
- (5) Provide safe, competent and woman-centred care for women, babies and families across the continuum of pregnancy, childbirth and transition to parenting within diverse cultural, ethnic and socioeconomic populations;
- (6) Integrate evidence based practice to inform clinical decisions and foster change in relation to maternity services and maternity care;
- (7) Apply knowledge and skills to demonstrate autonomy, well-developed judgement and responsibility in the context of increasing clinical competence and safety in the delivery of professional midwifery practice;
- (8) Enable graduates to be eligible for registration and care of women as accountable, autonomous professionals.

### **Australian Qualifications Framework**

The Australian Qualifications Framework (AQF) is a single national, comprehensive system of qualifications offered by higher education institutions (including universities), vocational education and training institutions and secondary schools. Each AQF qualification has a set of descriptors which define the type and complexity of knowledge, skills and application of knowledge and skills that a graduate who has been awarded that qualification has attained, and the typical volume of learning associated with that qualification type.

This program is at AQF Qualification Level 07. Graduates at this level will have broad and coherent knowledge and skills for professional work and/or further learning.

The full set of levels criteria and qualification type descriptors can be found by visiting [www.aqf.edu.au](http://www.aqf.edu.au).

### **Program Information Set**

View UniSQ's admission criteria, student profiles and a summary of all offers made under [Course Admission Information Set](#) via the QTAC website.

### **Admission requirements**

To be eligible for admission, applicants must satisfy the following requirements:

- A Registered Nurse (Division 1) with a Bachelor degree in Nursing or equivalent qualification with current Australian Health Practitioner Regulation Agency (AHPRA) registration.
- English Language Proficiency requirements for Category 4.
- Interview with Midwifery program representative and a service provider representative to demonstrate ability to commit to the requirements of the program.

*Please note: Satisfaction of admission requirements does not guarantee admission. Places within the Bachelor of Midwifery (Graduate Entry) program are limited by quota. Selection from applicants who meet admission requirements will be based on ranking by GPA from previous Nursing studies. Quota size is determined by the availability of hospital placements. Where the quota is filled, no further places will be offered.*

All students are required to satisfy the applicable [English language requirements](#). If students do not meet the English Language requirements they will be required to submit a formal English Language test result that meets the NMBA minimal requirements prior to program entry.

### **Requirements for professional experience placements**

Practical experience is an integral component of the program and each student is required to undertake and satisfactorily complete 1240 hours of practical experience (1240 hours of professional experience placements).

Progression into practical courses is dependent upon a pass grade in theoretical and other practical courses which have been set as prerequisites.

Applicants must be willing to undertake and submit the requirements of the University of Southern Queensland and Queensland Health for practical placement. Please refer to the applicable [Professional Practice Experience Handbook](#) for Nursing and Midwifery Students.

Mandatory Documents required prior to commencing residential schools and ANY clinical placements in the program:
