### Required time limits

Students have a maximum of 7 years and a minimum of 3 years to complete this program.

### Professional experience

The professional experience components of the Bachelor of Vocational Education and Training program are all tied to four identified courses. In order to undertake courses to which professional experience placements are attached at any stage in the program it is a requirement that students will have satisfactorily completed all professional experience courses in previous years in the program enrolment pattern.

Students in the Bachelor of Vocational Education and Training may complete their professional experience in approved placements. As students are studying wholly at a distance from a USQ campus, special requirements will need to be met in relation to completion of professional experience, including submission of two digital video recordings of teaching sessions.

Students in this program will normally undertake their professional experience in the process of their normal work, completing a total of 100 hours under conditions of clinical supervision with a nominated mentor, attached to four courses.
