Graduate Diploma of Aviation (GDAV) - GradDipAv

This program is offer

of knowledge, skills and application of knowledge and skills that a graduate who has been awarded that qualification has attained, and the typical volume of learning associated with that qualification type.

This program is at AQF Qualification Level 08. Graduates at this level will have advanced knowledge and skills for professional or highly skilled work and/or further learning.

The full set of levels criteria and qualification type descriptors can be found by visiting www.aqf.edu.au.

Admission requirements

To be eligible for admission, applicants must satisfy the following requirements:

- Completion of an Australian university Bachelor degree in the area of aviation, management and/or psychology, or equivalent.
- English Language Proficiency requirements for Category 3.

For candidates who have a Bachelor degree or equivalent (AQF level 7) from a recognised institution outside the areas stated above, USQ's Graduate Certificate of Aviation provides an articulation pathway into the Graduate Diploma of Aviation.

All students are required to satisfy the applicable English language requirements.

If students do not meet the English language requirements they may apply to study a University-approved English language program. On successful completion of the English language program, students may be admitted to an award program.

Program fees

Domestic full fee paying place
Domestic full fee paying places are funded entirely through the full fees paid by the student. Full fees vary depending on the courses that are taken. Students are able to calculate the fees for a particular course via the Course Fee Schedule

Domestic full fee paying students may be eligible to defer their fees through a Government loan called FEE-HELP provided they meet the residency and citizenship requirements.

Australian citizens, Permanent Humanitarian Visa holders, Permanent Resident visa holders and New Zealand citizens who will be resident outside Australia for the duration of their program pay full tuition fees and are not eligible for FEE-Help.

International full fee paying place
International students pay full fees. Full fees vary depending on the courses that are taken and whether they are studied on-campus, via distance education/online. Students are able to calculate the fees for a particular course via the Course Fee Schedules.

Program structure

The Graduate Diploma of Aviation is comprised of eight units of postgraduate courses, comprising five core courses and three specialisation approved courses.

Required time limits

Students have a maximum of four years to complete this program.

Core courses

Course	Semester of offer Distance/Online
Aviation Human Factors specialisation core courses:	

ECO5000 Economics for Managers	1, 2

IT requirements

For information technology requirements please refer to the minimum computing standards.

Other program requirements

Students must maintain good standing in this program. Please refer to the Academic Standing, Progression and Exclusion Procedure.

Exit points

A student who chooses not to complete or who does not maintain good standing in the Graduate Diploma of Aviation may be permitted to exit with a lesser qualification as set out below, provided that they have met the requirements of that program:

- A student who successfully completes four units may, upon application, exit with a Graduate Certificate of Aviation(GCAV), provided the student has successfully completed all the requirements of at least one specialisation.

Credit

Claims for credit for previous study should be submitted prior to or at the time of enrolment in a program. Each claim will be assessed on individual merit in line with USQ policy. Credit approved in this program will not automatically apply to other programs offered by USQ.

Credit may be granted on the basis of equivalent courses undertaken at postgraduate level. In order for credit to be granted, the claim must meet the following specific requirements:

- the course passed was taken at least at Masters or equivalent level
- the course was passed within fiv
