

Applicants must have completed a bachelor degree or equivalent from a recognised institution.

All students are required to satisfy the applicable [English language requirements](#).

If students do not meet the English language requirements they may apply to study a University-approved [English language program](#). On successful completion of the English language program, students may be admitted to an award program.

Program fees

Domestic full fee paying place

Domestic full fee paying places are funded entirely through the full fees paid by the student. Full fees vary depending on the courses that are taken. Students are able to calculate the fees for a particular course via the [Course Fee Schedule](#)

Domestic full fee paying students may be eligible to defer their fees through a Government loan called [FEE-HELP](#) provided they meet the residency and citizenship requirements.

Australian citizens, Permanent Humanitarian Visa holders, Permanent Resident visa holders and New Zealand citizens who will be resident outside Australia for the duration of their program pay full tuition fees and are not eligible for [FEE-Help](#).

Note 1 Discipline courses may be drawn from the [Master of Education \(8 units\)](#) or from other [USQ postgraduate programs](#). Contact the Faculty of Business, Education, Law and Arts to confirm suitability.

In some countries, completion of a research stream is a requirement for recognition of the Master's qualification. Those students in particular from **Canada and the Middle East**, or those intending to live and work there, should check registration requirements with the relevant authority in-country around the half-way point of the Master's program. This will allow time for students to complete their program via the research pathway if the need to do so is indicated.

Program completion requirements

Students are required to follow the recommended enrolment pattern to graduate with a Master of Applied Linguistics. Those who deviate from the recommended enrolment pattern are invited to transfer to the Master of Education (TESOL), a program with a less highly structured enrolment pattern containing all Applied Linguistics courses, or the Master of Learning and Development, a program that accommodates non-education courses.

Required time limits

Students have a maximum of 5 years to complete this program.

Articulation

The Master of Applied Linguistics program articulates from the Postgraduate Certificate in Applied Linguistics (PGAL).

The Community Strand embeds the PGAL Community Strand. Articulating PGAL students will study 3 Required Research Courses and one of the Optional Research courses.

The Teaching Strand embeds the PGAL Teaching Strand. Articulating PGAL students will study 3 Required Research Courses and one discipline course to complete their MAPL research pathway or 3-4 Applied Linguistics elective courses and optionally one postgraduate discipline course to complete their MAPL coursework pathway.

Exit points

The Postgraduate Certificate in Applied Linguistics (PGAL) and the Postgraduate Certificate in Learning and Development (PGLD) are optional exit points from the Masters with four relevant courses completed.

Credit

The maximum credit granted will be no more than half of the program units (four units). Within this limit, credit will be granted for relevant studies successfully completed at postgraduate level in the last five years and may be considered for studies successfully completed in the last 10 years. Students who have completed the Postgraduate Certificate programs listed in the Articulation section above, will receive full credit if they study the same specialisation in this program. Students intending to apply for credit should follow the [guidelines for credit for previous study or work](#). Within the framework of those regulations, the following points should be given particular consideration:

- Transfer of credit from other incomplete USQ award programs may be permitted where there is similar or appropriate content.
- Normally an accredited Certificate in TESOL (e.g. the Cambridge Certificate in Teaching English to Speakers of Other Languages - CELTA) attracts 1 unit of credit and a Diploma in TESOL 2 units of credit.
- completed and assessed professional development modules based on PGAL course materials will attract credit into the program.

Students should seek advice from the Faculty of Business, Education, Law and Arts before applying for credit.
