- (5) critically analyse relevant information (i.e. clinical data, government policy, research findings) and apply this knowledge to their selected specialised area
- (6) strengthen their professional identity including independence, interdependence, authority and partnership
- (7) extend their capacity to search, critique and synthesise relevant research literature in relation to a topic within their speciality area of choice
- (8) design and implement a research project or significant scholarly activity within a selected discipline area
- (9) apply current research techniques and methodology in pursuit of specific research goals
- (10) demonstrate competence in and appropriate use of language and literacy including spelling, grammar, punctuation and bibliographic referencing.

Admission requirements

To be eligible for admission, applicants must satisfy the following requirements:

- Completion of an Australian university three year Bachelor degree in a health related field, or equivalent.
- English Language Proficiency requirements for Category 3.

Admission Criteria

Rural & Remote specialisation: To be eligible for admission to the [Master of Health](#) (Rural and Remote) specialisation, applicants must:

- be registered as a nurse in Division 1 of the Nursing and Midwifery Board of Australia (NMBA) and must be able to demonstrate at least one years' full-time clinical experience. Applicants must provide a detailed CV including education, clinical experience, professional development, and full time equivalent for each employer.
- USQ requires written confirmation that the applicant is currently practicing as an RN and can complete required hours of clinical mentorship in their workplace.

All students are required to satisfy the applicable [English language requirements](#).

If students do not meet the English language requirements they may apply to study a University-approved [English language program](#). On successful completion of the English language program, students may be admitted to an award program.

Requirements for professional experience placements

There is a compulsory clinical requirement for [ANP5002 Immunisation Nursing](#) (Rural & Remote or Elective in Advanced Clinical Practices for Health) only. This placement is coordinated through the USQ Professional Placements Office.

Program fees

Domestic full fee paying place

Domestic full fee paying places are funded entirely through the full fees paid by the student. Full fees vary depending on the courses that are taken. Students are able to calculate the fees for a particular course via the [Course Fee Schedule](#)

Domestic full fee paying students may be eligible to defer their fees through a Government loan called [FEE-HELP](#) provided they meet the residency and citizenship requirements.

Australian citizens, Permanent Humanitarian Visa holders, Permanent Resident visa holders and New Zealand citizens who will be resident outside Australia for the duration of their program pay full tuition fees and are not eligible for [FEE-Help](#).

International full fee paying place

International students pay full fees. Full fees vary depending on the courses that are taken and whether they are studied on-campus, via distance education/online. Students are able to calculate the fees for a particular course via the [Course Fee Schedules](#).

Program structure

The program consists of twelve courses each worth one unit. There are five core courses common to all MOHH

Electives/Approved courses

Electives may be chosen from any of the Master of Health specialisations, [Master of Nursing](#) or courses of the student's choice approved by the Program Coordinator.

Coursework

[HEA8001 Contexts of Practice](#), [HSC8050 Research Methodology for the Human Sciences](#), [HSC8060 Research Project Design](#), [HSC8070 Health Masters Project A](#) and [HSC8080 Health Masters Project B](#) are core courses which must be successfully completed to graduate with MOHH.

Practical experience

All students are normally required to have current employment as a professional in health practice to be able to complete the Master of Health.

IT requirements

Students should refer to the USQ [minimum computing standards](#) to check that their computers are capable of running the appropriate software and versions of Internet web browsers and to check the minimum and recommended standards for software.

Articulation

A student successfully completing the [Graduate Certificate of Health](#) program or the [Graduate Diploma of Health](#) may apply to articulate into the Master of Health. A student articulating without a break into the higher degree will only receive the award of the higher degree that they complete. Such students will be given full credit for all courses completed whilst studying the [Graduate Certificate of Health](#) or [Graduate Diploma of Health](#) (articulation to Master of Health). Students must advise the Faculty in writing of their intention to articulate and this must occur prior to completion of the [Graduate Certificate of Health](#) or [Graduate Diploma of Health](#).

Related programs

The Master of Health is a part of a nested program including [Graduate Certificate of Health](#) and [Graduate Diploma of Health](#).

Exit points

Students may exit on completion of four approved courses including [HEA8001 Contexts of Practice](#) with a [Graduate Certificate of Health](#), or on completion of eight approved courses including [HEA8001 Contexts of Practice](#) and [HSC8050 Research Methodology for the Human Sciences](#) with a [Graduate Diploma of Health](#).

Credit

Exemptions/credit will be assessed based on the [USQ Credit and Exemption Procedure](#).

Students may transfer from [GCHH Graduate Certificate of Health](#) or [GDHH Graduate Diploma of Health](#). Credit may be granted for relevant prior studies completed within the past five years, but will not exceed more than six units.

Other information

Students selecting the scheduled medicines courses within this specialisation ([ANP8008 Diagnostics and Assessment](#), [ANP8009 Pharmacokinetics and Pharmacology for Scheduled Medicines](#) and [ANP8010 Situational Practice: clinical and critical decision making skills](#)) are only available for students who are Division 1 Registered Nurses from Australia as they are specific to the Australian context.
