Professional accreditation

USQ is registered with the [Project Management Institute](#) (PMI)® as a Global Registered Education Provider (R.E.P.). A study of project management at USQ earns professional development units towards certification with PMI including towards the Project Management Professional (PMP)®.

PMI, PMP and Project Management Professional (PMP) are registered marks of the Project Management Institute, Inc.

Program aims

The Master of Project Management aims to produce graduates who have appropriate skills and knowledge to be capable of managing small, medium and large-sized projects as a senior team leader, a project manager or project director.

Program objectives

Upon completion of the Master of Project Management students will be able to:

- demonstrate knowledge of the theoretical structure of project management as defined by the Project Management Body of Knowledge
-

- cost management
 - quality management
 - human resources management
 - communications management
 - risk management
 - procurement management
 - integration management
 - stakeholder management
- demonstrate a comprehension of complex ethical dilemmas for various stakeholders within a project management environment.

Admission requirements

To be eligible for admission, applicants must satisfy the following requirements:

Entry into the Master of Project Management requires a tertiary qualification at bachelor degree or equivalent (AQF level 7) in a project management related discipline from a recognised institution, and two years' full-time relevant professional work experience in business.

For candidates who meet the program work experience requirements but do not hold a bachelor degree or equivalent (AQF level 7) in a project management related discipline, USQ's [Graduate Certificate of Business](#) provides an articulation pathway into the Master of Project Management. Upon completion and achievement of a minimum GPA of 4.0, they will be eligible for entry into the Master of Project Management.

Candidates with a graduate certificate (AQF level 8) or higher qualification in any discipline, with two years' full-time relevant professional work experience in project management may apply for entry into the Master of Project Management. Eligibility for entry will be determined on a case-by-case basis.

All students are required to satisfy the applicable [English language requirements](#).

If students do not meet the English language requirements they may apply to study a University-approved [English language program](#). On successful completion of the English language program, students may be admitted to an award program.

Program fees

Domestic full fee paying place

Domestic full fee paying places are funded entirely through the full fees paid by the student. Full fees vary depending on the courses that are taken. Students are able to calculate the fees for a particular course via the [Course Fee Schedule](#)

Domestic full fee paying students may be eligible to defer their fees through a Government loan called [FEE-HELP](#) provided they meet the residency and citizenship requirements.

Australian citizens, Permanent Humanitarian Visa holders, Permanent Resident visa holders and New Zealand citizens who will be resident outside Australia for the duration of their program pay full tuition fees and are not eligible for [FEE-Help](#).

International full fee paying place

International students pay full fees. Full fees vary depending on the courses that are taken and whether they are studied on-campus, via distance education/online. Students are able to calculate the fees for a particular course via the [Course Fee Schedules](#).

Program structure

The Master of Project Management consists of 12 courses, each of one unit, and has the following structure:

- core (8 courses) – 4 foundation core and 4 non-foundation core courses

- any 4 elective courses selected from the [Master of Business Administration](#) (subject to enrolment requirements) or any 4 courses from across the University with the permission of the Faculty of Business, Education, Law and Arts.

IT requirements

For information technology requirements please refer to the [minimum computing standards](#).

Other program requirements

Students must maintain good standing in this program. Please refer to the [Academic Standing, Progression and Exclusion Procedure](#).

Articulation

On completion of the Master of Project Management, students may apply for entry into the [Doctor of Business Administration](#). The number of courses to be completed to satisfy the requirements to graduate from the Doctor of Business Administration will depend on the courses completed in the Master of Project Management. Students wishing to consider this option should contact the Faculty of Business, Education, Law and Arts.

Students who wish to articulate to the higher award must lodge an application for entry to the relevant program.

Exit points

Students who do not complete the Master of Project Management, but who satisfy all the requirements of the [Graduate Certificate of Business](#) or the [Graduate Diploma of Business](#) may be permitted to exit with that qualification.
