Australian Qualifications Framework

The Australian Qualifications Framework (AQF) is a single national, comprehensive system of qualifications offered by higher education institutions (including universities), vocational education and training institutions and secondary schools. Each AQF qualification has a set of descriptors which define the type and complexity of knowledge, skills and application of knowledge and skills that a graduate who has been awarded that qualification has attained, and the typical volume of learning associated with that qualification type.

This program is at AQF Qualification Level 09. Graduates at this level will have specialised knowledge and skills for research, and/or professional practice and/or further learning.

The full set of levels criteria and qualification type descriptors can be found by visiting www.aqf.edu.au.

Admission requirements

To be eligible for admission, applicants must satisfy the following requirements:

- Completion of an Australian university Bachelor degree or equivalent, and
- A minimum of five years' work experience in the chosen field of professional practice.
- English Language Proficiency requirements for Category 3.

Admission to the Master of Professional Studies (Research) is by completed online application and interview. Anyone wishing to gain entry to the program on the basis of equivalent qualifications and/or experience should contact the University for consideration for admission on this basis.

All students are required to satisfy the applicable [English language requirements](#).

If students do not meet the English language requirements they may apply to study a University-approved [English language program](#). On successful completion of the English language program, students may be admitted to an award program.

Program fees

Domestic full fee paying place

Domestic full fee paying places are funded entirely through the full fees paid by the student. Full fees vary depending on the courses that are taken. Students are able to calculate the fees for a particular course via the [Course Fee Schedule](#)

Domestic full fee paying students may be eligible to defer their fees through a Government loan called [FEE-HELP](#) provided they meet the residency and citizenship requirements.

Australian citizens, Permanent Humanitarian Visa holders, Permanent Resident visa holders and New Zealand citizens who will be resident outside Australia for the duration of their program pay full tuition fees and are not eligible for [FEE-Help](#).

International full fee paying place

International students pay full fees. Full fees vary depending on the courses that are taken and whether they are studied on-campus, via distance education/online. Students are able to calculate the fees for a particular course via the [Course Fee Schedules](#).

Research Training Program (RTP) - Fees Offset scheme

All Australian citizens, Australian permanent residents and New Zealand citizens commencing a Higher Degree by Research (HDR) program will have their tuition fees paid by the Australian Commonwealth Government under the Research Training Program (RTP) Fees Offset scheme. The RTP Fees Offset scheme covers program fees for an HDR student up to a maximum period of four years for full-time study or up to eight years part-time study for a Doctoral program, and up to a maximum period of two years for full-time or four years part-time for a Masters by Research program.

As part of the enrolment process, students are required to submit proof of citizenship or permanent residency status and transcripts of all previous academic study. This documentation enables the University of Southern Queensland to determine eligibility for an RTP Fees Offset place.

If a student's RTP Fees Offset entitlement expires before completion of the program, the student will be required to pay full tuition fees.

Students eligible for an RTP Fees Offset place are those who:

- have not used RTP Fees Offset funding in the previous three years; or
- have already used RTP Fees Offset funding and have successfully completed an HDR program. Once a student completes an HDR program, full entitlements of RTP Fees Offset are restored.

The Australian Commonwealth Government's contribution to program fees must be acknowledged on all published material relating to a research project via a statement identifying the support received through the RTP Fees Offset scheme.

Program structure

The Master of Professional Studies (Research) is a 12-unit program. The core courses are made up of i) a foundational course, ii) recurring enrolment research project courses and a iii) publishable paper course.

Students must successfully complete the following courses:

Course	Semester of offer Online	Semester of offer Toowoomba campus
WRP9012 Fundamentals of Professional Studies (2 units) [^]	1, 2	1, 2
WRP9013 Professional Studies Research Project 2 (2 units) [*]	1, 2, 3	1, 2

Footnotes

[^] Students enrol in [WRP9012 Fundamentals of Professional Studies](#) in their first semester where they will develop their research proposal.

^{*} Students will be required to re-enrol in [WRP9013 Professional Studies Research Project 2](#) and/or [WRP9014 Professional Studies Research Project 4](#), or a combination thereof depending on whether they are part-time or full-time students to satisfy the normal program requirements totalling 12 units. See recommended enrolment patterns below.

[#] [WRP9020 Professional Studies Publishable Paper A](#) is ordinarily completed in the last semester of study, after completion of the professional studies research project and is assessed by double-blind peer review. Students wishing to complete a thesis by publication are required to take the [WRP9020 Professional Studies Publishable Paper A](#) course after confirmation of candidature at the start of the implementation of their approved research.

Program completion requirements

To graduate from the Master of Professional Studies (Research), a candidate must complete a minimum of twelve course units comprising no less than the completion of the core course [WRP9012 Fundamentals of Professional Studies](#). Students are required to compile a final master's dissertation (minimum of 15,000 words including artefacts developed in the [WRP9012 Fundamentals of Professional Studies](#) course and generated from the work-based project) or equivalent body of work for final examination by independent examiners. Students electing to complete a further work-based project, [WRP9013 Professional Studies Research Project 2](#), are required to compile a final master's dissertation (minimum 25,000 words including relevant artefacts developed in the [WRP9012 Fundamentals of Professional Studies](#) course and generated from the work-based projects) or equivalent body of work for final examination by independent examiners.
