of knowledge, skills and application of knowledge and skills that a graduate who has been awarded that qualification has attained, and the typical volume of learning associated with that qualification type.

This program is at AQF Qualification Level 04. Graduates at this level will have theoretical and practical knowledge and skills for specialised and/or skilled work and/or further learning.

The full set of levels criteria and qualification type descriptors can be found by visiting [www](#)

- [AEP1111 Transitioning to University](#)
- [AEP1112 Applied Academic Literacies](#)

### **Required time limits**

Students have a maximum of two (2) semesters to complete this program.

### **IT requirements**

Students must have reliable and ready access to email and the Internet. For information technology requirements, please see the [minimum computing standards](#)

### **Residential schools**

The attendance requirement of residential schools within this degree is indicated by the following letters: R = Recommended; HR = Highly Recommended; M = Mandatory. To find out more about [residential schools](#), visit the [Residential School Schedule](#) to view specific dates for your degree, or visit the [Policy and Procedure Library](#).

Students are required to attend mandatory workshops at a UniSQ campus during semester 2.

### **Articulation**

Successful completion of the UniPrep meets the English pre-requisite (Units 3 & 4, C) for entry into UniSQ undergraduate programs. Students who successfully complete both [AEP1111 Transitioning to University](#) and [AEP1112 Applied Academic Literacies](#) are eligible to apply for UniSQ undergraduate programs that require the single pre-requisite of English (Units 3 & 4, C) or equivalent.

For further information about the entry requirements for undergraduate study, students should refer to the entry requirements for their selected program in the UniSQ Handbook. Students should be familiar with the Assumed Knowledge and Recommended Prior Study specifications for the undergraduate program the
