### Professional accreditation

Accounting major graduates will meet the educational entrance requirements of [CPA Australia](#) and [Chartered Accountants Australia and New Zealand](#) (CAANZ). This provides Associate membership of CPA Australia, eligibility to study the CPA Australia professional exams and eligibility to study the CAANZ professional exams.

The Accounting major is accredited by the [Chartered Institute of Management Accountants](#) (CIMA) and the [Association of International Accountants](#) (AIA).

Successful completion of the Accounting major can qualify students for exemptions from the Fundamental level (9 papers) of the [Association of Chartered Certified Accountants](#) (ACCA) exams.

The Counselling major will contribute towards [Psychotherapy and Counselling Federation of Australia](#) (PACFA) eligibility: if students attend the voluntary residential schools within the Bachelor of Science Counselling major, their attendance will be recorded so their attendance will meet a proportion of the required number of hours of face-to-face instruction/tuition for eligibility to join a PACFA affiliate upon graduation. Students not attending the residential school will not accrue any hours toward eligibility to join a PACFA affiliate upon graduation.

Finance major graduates will meet the educational entrance requirements to become a member of the [Financial Services Institute of Australasia](#) (FINSIA).

The Marketing major is accredited by the [Australian Marketing Institute](#) (AMI), and students are eligible for credit towards becoming a [Certified Practising Marketer](#) (CPM) upon completion.

The Psychology major is fully accredited by the [Australian Psychology Accreditation Council](#).

## Program aims

### Bachelor of Business

The Bachelor of Business is a professionally-oriented degree program. The aim of the program is to produce graduates who are equipped to identify, describe, analyse and resolve business problems in both the public and private sectors. Successful completion of the program will equip graduates with the skills and knowledge required to undertake employment in relevant professions.

### Bachelor of Science

The Bachelor of Science is an undergraduate qualification consisting of 24 units, taught in English, which normally takes three years of full-time study or part-time equivalent. The program structure requires successful completion of a twelve or eight unit major in a chosen discipline, four units of foundation study courses and either a second major or elective courses. The Bachelor of Science is located at Level 7 of the Australian Qualifications Framework.

## Program objectives

On successful completion of the Bachelor of Business and Bachelor of Science double degree, graduates need to meet the program objectives of both disciplines.

### Bachelor of Business

- synthesise business knowledge, disciplinary concepts, theories, principles and processes
- think critically, constructively and logically about business-related issues, problems and theoretical debates
- communicate clearly and concisely in presenting relevant knowledge and ideas to a range of audiences
- apply business-related knowledge and technical skills to resolve problems and make ethical decisions across a range of institutional, national and global contexts
- use initiative, creativity and judgement to plan and

All students are required to satisfy the applicable [English language requirements](#).

If students do not meet the English language requirements they may apply to study a University-approved [English language program](#). On successful completion of the English language program, students may be admitted to an award program.

^ These are determined by the University for specific programs each Semester. The 2023 ATAR and tertiary entrance ranks are based on agreed QTAC schedules which assess formal study at Year 12 or [equivalent level](#), tertiary, preparatory, professional or vocational qualifications or work experience, as detailed in the QTAC Assessment of Qualifications Manual and QTAC Assessor Guidelines.

Adjustment factors may help you get into the program of your choice by increasing your entrance rank. The additional points don't apply to all applicants or all programs. Please read the information about UniSQ's [Adjustment Factors](#) carefully to find out what you may be eligible for.

## Program fees

### Commonwealth supported place

A Commonwealth supported place is where the Australian Government makes a contribution towards the cost of a students' higher education and students pay a [student contribution amount](#), which varies depending on the courses undertaken. Students are able to calculate the fees for a particular course via the [Course Fee Schedules](#).

Commonwealth Supported students may be eligible to defer their fees through a Government loan called [HECS-HELP](#).

### Domestic full fee paying place

Domestic full fee paying places are funded entirely through the full fees paid by the student. Full fees vary depending on the courses that are taken. Students are able to calculate the fees for a particular course via the [Course Fee Schedule](#)

Domestic full fee paying students may be eligible to defer their fees through a Government loan called [FEE-HELP](#) provided they meet the residency and citizenship requirements.

Australian citizens, Permanent Humanitarian Visa holders, Permanent Resident visa holders and New Zealand citizens who will be resident outside Australia for the duration of their program pay full tuition fees and are not eligible for [FEE-Help](#).

### International full fee paying place

International students pay full fees. Full fees vary depending on the courses that are taken and whether they are studied on-campus, external or online. Students are able to calculate the fees for a particular course via the [Course Fee Schedules](#).
