- demonstrate a sound understanding of the scope and focus of various fields in contemporary psychology
- demonstrate a sound understanding of the scope and focus of various fields in contemporary human resource management
- integrate psychology and human resource management principles and apply these principles in solving business problems and addressing organisational needs such as training and development, or recruitment and selection
- demonstrate beginning levels of proficiency in research and specific methodology including research planning and implementation, analysis, interpretation and evaluation of research results, and the presentation and communication of research findings
- demonstrate awareness of cross cultural issues in human resource management context
- demonstrate awareness of the ethical and social responsibilities of practice within a business context.

Admission requirements

To be eligible for admission, applicants must satisfy the following requirements:

Domestic applicants who have obtained an exit level of sound achievement after four semesters in English in their Senior High School studies and who have demonstrated high levels of achievement will be considered for a place in the program. Please consult the QTAC handbook for alternate means of meeting these requirements.

International students will need to satisfy standard entry requirements into UniSQ bachelor degrees. In addition their secondary or tertiary academic history must be such that they are likely to be able to achieve and maintain high levels of performance in the program.

All students are required to satisfy the applicable English language requirements.

If students do not meet the English language requirements they may apply to study a University-approved English language program. On successful completion of the English language program, students may be admitted to an award program.
