

Master of Professional Psychology (MPPS) - MProfPsy

CRICOS code (International applicants): 089812F

From 2023, the MPPS, will be offered in the Block calendar for co f

Program aims

In addition, applicants must submit the following for consideration as part of their application:

- provide two [Referee Reports](#) (refer to Other Program Requirements below)
- provide a 1-2 page report which addresses the Master of Professional Psychology Selection Criteria
- be assessed in a face-to-face interview with a panel of School staff
- provide an academic transcript demonstrating strong academic performance
- provide a CV of their work and study history
 - Applicants who have not completed their four-year bachelor degree, or equivalent, within the last three years will be required to demonstrate how they have maintained up-to-date knowledge and skills in the area of Psychology since completion of their four-year bachelor degree, or equivalent.

Before commencing the program, students must have Provisional Registration or full registration from the Psychology Board of Australia.

International applicants

International applicants must have completed the equivalent of a four-year APAC accredited AQF level 8 sequence in psychology and be considered eligible for provisional registration with the Psychology Board of Australia. Applicants from countries other than Canada, New Zealand, Republic of Ireland, South Africa, the United Kingdom, or the United States of America must meet the Psychology Board of Australia English proficiency requirements of minimum scores of 7 in listening, reading, writing, and speaking achieved in one sitting in the International English Language Testing System.

All students are required to satisfy the applicable [English language requirements](#).

If students do not meet the English language requirements they may apply to study a University-approved [English language program](#). On successful completion of the English language program, students may be admitted to an award program.
