### Program aims

The Undergraduate Certificate of IT Team Management is an industry-oriented qualification focussing on assisting you to build the basic skills required to lead a team. For more information, please contact us on 1800 269 500 or visit our website at [www.usq.edu.au](http://www.usq.edu.au).

## **Australian Qualifications Framework**

The Australian Qualifications Framework (AQF) is a single national, comprehensive system of qualifications offered by higher education institutions (including universities), vocational education and training institutions and secondary schools. Each AQF qualification has a set of descriptors which define the type and complexity of knowledge, skills and application of knowledge and skills that a graduate who has been awarded that qualification has attained, and the typical volume of learning associated with that qualification type.

This program is at AQF Qualification Level 07. Graduates at this level will have broad and coherent knowledge and skills for professional work and/or further learning.

The full set of levels criteria and qualification type descriptors can be found by visiting [www](#)

## Articulation

Successful completion of this qualification will enable entry and four units of credit towards the [BITC Bachelor of Information Technology](#).
